St Daniel 16th February – Died 309

Daniel and his friends showed their great love for Our Lord Jesus Christ when they attempted to visit and give comfort to the persecuted Christians who were forced to work in the mines. They were martyred for that act of kindness. Let us look to these heroes who were not afraid to love their neighbours, not afraid to “*see Jesus in disguise*” in those Christians who were so miserably treated at the mines, not afraid to die for their Faith.

Dear Lord, we hope to have that same courage and love! Amen.
